Java Programming Language at NeoVita

NeoVita has recently started a Java Programming

Training for both basic and advanced levels. Participants are mostly IT professionals and other java enthusiasts. The training duration is for four (4) Saturdays at five (5) hours per session.

The Java™ Programming Language course provides students with the following information about the syntax of the Java programming language; object-oriented programming with Java programming language; exceptions. Programmers who are familiar with ob-

ject-oriented concepts can learn how to develop Java technology applications. The course uses the Java™ 2 Software Development Kit (Java™ 2 SDK).

Students who can benefit from this course are programmers who are interested in adding the Java programming language to their skills set and students who are preparing for the Sun Certified Programmer for Java™ examination. Those who are new to programming language are also welcome.

Training is conducted by Mr. Bernie Mantos, a Sun Certified Java Programmer. He has been working for more than six (6) years as Software Engineer/Consultant in the field of

Information Technology. Had an in-depth experience in developing business logic functionalities in Systems Application and Financial System using Java/J2EE (3.75 years), Visual Basic 6(2.5 years). He has done System Design, Database Designing, Project Integration/Implementation and System and Unit Testing.

Next intake is scheduled to start this coming 20 Oct 2007. This will be conducted from 9AM - 2PM (20, 27 Oct, & 3, 10 Nov). Since it will be conducted on small classes, it will be on a first-come first-serve basis.

Full fee is S\$ 210.00 per participants. For reservation and other details please call Tel. 65345830 / HP 91501132

Body Massage Training coordinated by Dr. Chan Hock Guan

NeoVita has coordinated with an industry's expert in the field of massage, spa management, and physical therapy for its Body Massage Training Program.

NeoVita Learning Centre seek the valuable insights of Dr. Chan Hock Guan, to help im-

prove its training course in Basic Body Massage Training.

Dr. Chan visited us and gave some pointers to both instructors and students on how they can further improve their body massage skills.

As this course is more for body relaxation, he emphasized on the need to further take intermediate and advanced studies in massage if participants wanted to build a

career in this industry.

Dr. Chan who has an extensive experience in massage/spa industry was trained both in the US (Cornell University) and UK (ITEC). He is also a SPATEC (Singapore) certified. He now works with the world's biggest spa management group (Steiner) and currently based in London, UK.

Business Corner

We are accepting computer repair, upgrade, maintenance and assistance services with regards to computer hardware/software issues, virus protection, data retrieval and installation.

We are also offering **Box/Cargo Services** bound to the Philippines at competitive rates.
